1.290.000€

At Glover Barcelona, we are very proud to offer this magnificent southeast-facing property, fully exterior, with large windows and 175 m² of interior built area according to the floor plan. The property includes 2 parking spaces and a good storage room in the same building.

The layout is perfect, with a beautiful entrance hall clearly separating the day area from the 5 bedrooms.

In the day area, we enjoy a large living space divided into three environments: a living room with TV area and fireplace, a dining room, and a relaxation or games area, with morning sunlight and views of a very quiet street.

From the dining room, we access the very spacious and bright kitchen with dining area, which is also connected to a practical laundry area.

In the night area, there are 5 bedrooms, including a standout master suite with wardrobe area and a full bathroom with shower, two exterior double bedrooms with built-in wardrobes, one single bedroom, and one exterior service room with a wardrobe where the former service bathroom was located. There is also an additional full bathroom with bathtub serving the remaining bedrooms, as well as a guest toilet.

The property features aluminum window frames, built-in wardrobes throughout the apartment, laminated parquet flooring, gas radiator heating with two zones, and a ducted air conditioning system providing both

heating and cooling.

The building has a main elevator and a service elevator. It offers concierge service from Monday to Sunday and security systems.

We highlight its strategic location in the prestigious Tres Torres neighborhood, just a few steps from Via Augusta and the Tres Torres Ferrocarrils Catalans station, surrounded by all kinds of services and an extensive public transport network.
