Bright and Spectacular Newly Renovated Home in the Sant Gervasi Area.

Glover Barcelona Real Estate is pleased to present this bright and spectacular newly renovated home, ready for first-time occupancy, featuring four double bedrooms and one office room in a stately building in the Sant Gervasi area.

The renovation preserved original architectural elements and opened certain spaces, giving the home spacious dimensions throughout all rooms.

Upon entering, there is a large hall that divides the apartment into two areas.

On one side, there is a magnificent living room with high, ornate ceilings and large windows, allowing for two separate sitting areas, a spacious dining room with access to a large kitchen, an office room, a guest restroom, and a grand master suite with large built-in wardrobes and a full bathroom with a shower. A linen closet separates the bathroom from the bedroom.

On the other side, there are three splendid double bedrooms. Two of them overlook a very quiet and sunny interior courtyard. These bedrooms share a large full bathroom. There is also an independent laundry area.

The apartment features double-glazed windows for excellent thermal and acoustic isolation. The floors are laminate parquet. Air conditioning and heat pump are provided via ducts in two phases, ensuring balanced temperature control. LED lighting system throughout.

The building has a concierge and a service elevator.

Excellent location in Sant Gervasi, close to all services, shops, restaurants, and public transportation. Don't miss the opportunity to live in a place that combines comfort, elegance, and a prime location.
